

Tolyqyn Hospitality Rider

Hello!

Thanks for having Tolyqyn play at your venue, or festival.

We appreciate a selection of healthy vegetable/fruit/plant-based snacks backstage. A selection of nuts is very welcome (Tal).

Water on the backstage and on stage.

If dinner is part of the deal,

then for Tal:

- vegan
- gluten and lactose (milk, cheese etc) free
- no bread
- full-sized

for Kuba:

- meat is ok
- gluten and lactose (milk, cheese etc) free
- no bread
- no pasta
- if rice or groats then please less of it than of the vegetables
- full-sized (so lots of vegetables, according to the point above ;))

for Roland:

- no bread
- no pasta
- rice, meat, fish, potatoes are ok
- full-sized

Thank you!

Roland, Tal, Kuba.
