

Tolyqyn Rider 2020

Roland

1. Microphone for singing + stand
2. Guitar Amp (Vox AC30 is preference)
3. Large bass amp + cabinet (any Mark Bass amp is preference)

Tal

1. Guitar amp (Fender Twin Reverb / Vox AC30 / another tube amp large enough for the venue)
2. Microphone for singing + stand

Kuba

1. Shellset made of birch or maple wood (bd 18-22" depending on size of venue, toms 10", 12", 14" or 16" floor tom **on legs, NOT hanging**)
2. Wooden 14" quality snare + stand, no die cast hoops please
3. 3 boom stands for cymbals
4. **2** hi-hat stands
(the second one can be in form of an arm hanging from the cymbal stand if available - like the Meinl X-Hat model)
5. Quality, working, stable drum seat
6. Microphone for singing + stand
7. Stereo DI for Ableton, electronics (coming out with 2x big jack)
8. A keyboard stand (for electronics setup)
9. Kuba uses in-ear monitoring - please provide an XLR (both female or male ok) or jack with Kuba's monitor signal instead of a PA speaker
